# **COVID-19 TRACKER**

The restaurant industry ended 2020 with total sales that were \$240 billion below the National Restaurant Association's pre-pandemic forecast for the year. As of December 1, 2020, more than 110,000 eating and drinking places were closed for business temporarily, or for good.

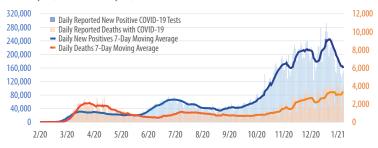

The eating and drinking place sector

finished 2020 nearly 2.5 million jobs

below its pre-coronavirus level.1

# Daily Reported New Positive COVID-19 Tests vs. Daily Reported Deaths with COVID-19 in the U.S.
